Curriculum Vitae
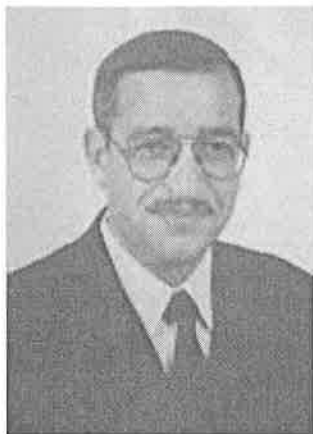

Name : Salah El-Dein Abdel. Aziz Abdel. Latif

Address : 7 Ahmed Kmha St. Elgma, 5th floor, Apt. 18

Alexandria, Egypt.

Telephone: +2 035909120

Mobile : +2 01143866656

E-Mail : dr.salah_elwan@yahoo.com

PESONAL INFORMATION

Birth Date : November 10th, 1956
Place of birth : Alexandria, Egypt.
Gender : Male
Religion : Muslim
Martial statue : Single
Nationality : Egyptian
Driving License : Valid

EDUCTION

- **B.Sc. in Electrical Engineering. (1979)**
  Faculty of Engineering, Alexandria University, Egypt
- **Electronics Diploma. (1998)**
  Faculty of Engineering, Alexandria University, Egypt
- **M.Sc. in Electrical Engineering. (2004)**
  The title of the thesis: " Design And Simulation of Compact Low-Power CMOS Artificial Neural Networks ".
  Faculty of Engineering, Alexandria University, Egypt
- **Ph.D. in Electrical Engineering. (2013)**
  The title of the thesis: " An Analog VLSI- Low Power Digitally Programmable Cellular Neural Network ".
  Faculty of Engineering, Alexandria University, Egypt

LAGUAGES

- **Arabic** : Native speaker
- **English** : Having completed a course in " TOEFEL CERTIFICATE " and passed the final exam with general grade very good (605/ 700)
- **French** : Fair

EXPERIENCE

- **Electrical Engineering** in ministry of construction.
- **Electrical & Electronic Engineering** in Contintal Co.
- **Electro Controller Engineering** in Al Sonobolah For Maint. And Operation Co. ltd in Saudi Arabia.
- **Electrical & Electronic Engineering** in Traffic Department in Alexandria.
- **Teaching at Several Colleges** (faculty of engineering- Alexandria University, Technological College, Academy of Specialized Studies)
- **Interesting in logic circuits, digital circuits, devices, Programming, microcontroller, and microprocessor**
- **Teaching** in Higher Institute of Engineering& Technology, King- Marriot
